Ironically enough, we had one agenda item (Dimock) and the press release answered that one, so no call is needed on Friday have a great week/weekend and we ll email if anything comes up before the next scheduled call and you can do same ok?

Paula- I may have to reschedule the call this Friday- our Regional Administrator is testifying at a field hearing on Tuesday and things are really hectic prepping for it. I'll know better tomorrow if I will be able to do the call, if we did reschedule I have a lot of free time next Wednesday and Thursday if that would work.

Thanks!
